Pump Up Sprayer Pro, 1.5 Gallon

MODEL # 925023

OVERVIEW

The 1.5 Gallon Pump-Up Sprayer PRO is a heavy-duty, portable spray applicator for applying ready-to-use chemicals on to any surface. This professional model features a more durable 6' hose, trigger gun, wand, and fan nozzle compared to your typical pump-up sprayer.

Key Features

- Just fill the tank with ready-to-use chemical solution, pump it up and spray!
- Heavy-duty, easy-grip trigger gun with locking latch
- Wide fan pattern nozzle for fast application
- Viton/Nitrile o-rings and internal seals are compatible with a wide range of cleaning chemicals (soaps/detergents) and are also resistant to acidic chemicals
- Available with a 3 gallon tank and compressed air "quick charge" valve (#925025)
- Prepare perfectly blended chemical solutions with a Lafferty Mixing Station
- See other portable chemical applicators in Catalog 11

Includes

- Heavy-duty 1.5 gallon polyethylene tank with UV inhibitor
- Heavy-duty manual pump
- Viton/Nitrile seals and o-rings (EPDM kit available)
- Tube of silicone grease
- Pressure relief valve
- 6' discharge hose
- Heavy-duty trigger gun with Viton internal seals
- Polypropylene 10" wand & stainless steel fan nozzle
