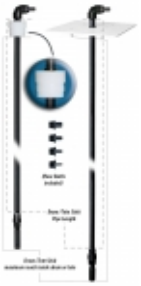
Hose Reel, SS, For 1/2" X 50', 2500 PSI, With Jumper Hose Kit

MODEL # 224176-A



OVERVIEW

This professional-grade, heavy-duty hose reel will accommodate a 1/2" ID hose up to 50 feet (2500 PSI maximum water/solution pressure). A multi-position, locking, ratchet mechanism secures the hose at the desired length and spring assisted retraction takes the effort out of coiling heavy hoses. Stainless steel construction offers non-corrosive performance in demanding industries. Includes inlet jumper hose, but does not include discharge hose.

Key Features

- This heavy duty, stainless steel hose reel is the ideal way to keep hoses neat, tidy and safely off the floor
- Accommodates rinse hoses or chemical solution discharge hoses from Lafferty Foamers and Sprayers (up to 1/2" I.D. x 50') -- Discharge hose not included
- Rated for up to 2500 PSI water or solution pressure
- Includes a 1/2" ID x 6' jumper hose to receive water or chemical solution from the source
- Stainless steel construction and a heavy-duty steel base ensure strength, safety, corrosion resistance, and durability
- Electro-polished stainless steel finish
- Automatic hose retraction via a non-corrosive stainless steel cartridge-style spring motor
- Permanently lubricated precision bearings allow for smooth operation
- Multi-position lock ratchet mechanism secures the discharge hose at the desired length
- Adjustable guide arm allows for various mounting options: wall, floor, ceiling, vehicle, etc.
- Pinch-proof, four-way, guide-arm rollers allow the hose to be pulled from the reel in any direction
- Adjustable hose stop prevents full hose retraction and allows for quick, easy access to hose-end tools

Other Popular Lafferty Accessories: (See Side Panel)

- Stainless Steel Sanitary Hose Racks (#224150)
- Polypropylene Drum & Tote Sticks (#491643 - #491654)
- Jug Lid (1&5 Gallon) with Suction Tube (#709101)
- Metering Tip Driver (#443790)
- Water Pressure/Flow Test Kit (#336340)

REQUIREMENTS

Recommended Discharge Hose

Max. Length	50 feet
Max. I.D.	1/2"
Max. O.D.	3/4"
Max. Pressure	2500 PSI

APPLICATIONS

- Food & Beverage Plants
- Manufacturing Facilities
- Restaurants
- Agriculture/Horticulture
- Dairy
- Hatchery
- Industrial
- Metal Processing
- Paper Mill
- And Many Other Applications!
